

## Digital Systems and Purchases

There are a number of different systems that either you or your son will use once they join Richard Hale School and below is a brief overview of them.

### Online Portal

Both you and your son will receive separate log in and password details to enable you to access your son's school reports and attendance.

### Google Classroom / Cloud Document Storage / Student Personal E-mail

Your son will receive an email address and password details to enable him to log into the Google Classroom. This is used for setting of homework by departments. We ask boys to share their Google Classroom logins with parents so they can support with homework.

### Parent Mail

We use a software package called PS Connect to email specific groups of parents regarding school trips, activities etc., rather than emailing the whole parent base. Unfortunately, however, the system is only able to email the Priority One contact whereas the Headmaster's letter will be emailed to all emails on the system, work and home.

### Wisepay

You will receive a log in and password details to enable you to access the WisePay system from home and pay for trips, food, lockers, print credits and resources etc. online. If you have not received this before the end of term you should email [wisepay@richardhale.co.uk](mailto:wisepay@richardhale.co.uk). You can also use the **WisePay App, for which the code is: 83513543**. When your son purchases food from the Dining Hall, he will have his thumb scanned and the amount will automatically be debited from his account. He will be able to check his balance on the machine in the Dining Hall.

### Print and Resources Credits

We automatically allocate £1 to every student's account on the first day of each term to purchase printing. Any credit not spent during the term will be rolled over to the next term. Once this credit has been used it is then down to the parents/guardians to top up additional credits as required. Students will be able to use this top up credit to purchase stationery and art materials as well as for printing. Additional credits can be purchased online via WisePay in £1.00 denominations.

Stationery items are available to purchase in Reprographics and art materials are available to purchase in the Art Department.

### MyMaths – [www.mymaths.co.uk](http://www.mymaths.co.uk)

There are two levels of login: front screen login 'hale', password 'mobius'. The individual login will be a few digits, the individual password will be three letters. These will be given out by Maths teachers to students in September.

### Headteacher: Ian H Hawkins

Richard Hale School is a company limited by guarantee (company no. 08572898) and exempt charity registered in England and Wales at Hale Road, Hertford, Herts. SG13 8EN
