

SENIOR STUDENT PEN PROFILE

Name	Darcey Lythall
What position do you hold?	Medicine Ambassador
What are you studying?	Biology, Chemistry, Maths
Why are you studying at Richard Hale?	Richard Hale has an amazing science department which offers lots of opportunities and experiences to build around the A-Level courses.
What does your Senior Student position mean to you?	It offers me the perfect opportunity to help contribute within the school community, trying to help inspire students in younger years.
Why did you apply for your position?	I am looking to study biomedical science at university and want to help guide other students interested in the broader medical field.
How do you fulfil the school's values?	Respect others - I currently work within a team to help run the sixth form Chemistry Society, helping to broaden both my own and others scientific knowledge. Aim High - I'm aiming to study a prestigious degree, which requires high entry grades. Show Commitment - Every Wednesday I volunteer within a year 10 chemistry class.
Do you have any further comments about Richard Hale Sixth Form	No
