

# SENIOR STUDENT PEN PROFILE

<b>Name</b>	Jessica Scott
<b>What position do you hold?</b>	English Ambassador
<b>What are you studying?</b>	English Literature, Geography, Psychology
<b>Why are you studying at Richard Hale?</b>	Richard Hale presents a diverse range of opportunities both within and outside of the curriculum with the English course in particular aligning with my interests. The induction week then highlighted to me the approachable environment the school has built and the enthusiasm of the staff has also been instrumental in my achievements at Richard Hale.
<b>What does your Senior Student position mean to you?</b>	I think the ability to act as a role model to the lower school is an important responsibility that gives me the opportunity to leave a positive impact on their experience at Richard Hale.
<b>Why did you apply for your position?</b>	I applied to become a representative of English due to its fundamental nature in life, therefore I aim to inspire the younger years to engage with English outside of just a classroom environment.
<b>How do you fulfil the school's values?</b>	<p>Respect others - My participation in debate club and co-founder of law society has allowed me to become involved in many group discussions and respecting other people's ideas is essential in gaining different points of view and considering various ideas.</p> <p>Aim High - My aspirations to study at a Russell Group university provides me to set myself high targets and continuously work hard to reach them.</p> <p>Show Commitment - My experience with volunteering my time to both year 10 mentoring every Friday and volunteering outside of the school for the last 5 years has given me insight of the impact committing to helping others can make on the wider community.</p>
