

SENIOR STUDENT PEN PROFILE

Name	William Cowe
What position do you hold?	Football First Team Captain
What are you studying?	BTEC Sport, A Level Media Studies
Why are you studying at Richard Hale?	From year 7 to year 11, I enjoyed the way the school was run for the lower years, and I wanted to continue my education for year 12 and year 13.
What does your Senior Student position mean to you?	It means being a role model to the younger years and my peers, and someone that is there to anyone for help and support.
Why did you apply for your position?	I feel like the role I applied for was best suited for my interest and hobbies. Not being football captain from year 7 to year 11, I wanted to represent the school for my final 2 years at the school.
How do you fulfil the school's values?	<p>Respect others - As a member of the sixth form it's crucial that I am professional and well mannered. Therefore it is important that I respect the teachers, students and any members of staff.</p> <p>Aim High - I would say it is essential to set myself goals throughout the year. This helps to keep myself motivated and disciplined.</p> <p>Show Commitment - During my first year in the sixth form I have shown a great deal of commitment, whether that be by helping out in sporting events or having passion and empathy for my subjects.</p>
Do you have any further comments about Richard Hale Sixth Form	I would say that the sixth form is a great option for anyone interested in applying for a position here.
