Year 11 – mock results morning

Year 11 students completed their mock exams before Christmas and have been receiving results, feedback and follow up work within lessons.

Next Friday 2nd February will see the publication of all results to parents and all students will attend the ‘Year 11 mock results morning’

This will allow students to see the overall picture of the collated results from all subjects. This will also give added information regarding entry requirements for post-16 options. Following the extended assembly, all students over the next few weeks will receive an in-depth interview with a member of SLT to discuss post-16 options. This is coupled with support within different subjects as we approach a crucial time for Year 11 and summer GCSE’s.

Guys and Dolls

Students from years 10 to 13 have been busy rehearsing for this year's senior production of the classic musical Guys and Dolls. The performances are on Thursday 8th February and Friday 9th February at 7:00pm and tickets are now available to purchase through WisePay. Please come and support our older students who are acting in the cast and performing live music in the band.
