By signing here, I am giving my consent to the head of my school to submit a clerical re-check or a review of marking for the examination(s) listed above. In giving consent, I understand that the final subject grade and/or mark awarded to me following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded for this subject.

Consent statements above and details of the RoR services below taken from JCQ's [Post-Results Services](#) (section 4, appendices A and B)

SRC	Post-Results Service	Details of the service
R1	RoR Service 1: Clerical re-check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks. (For multiple choice tests , only Service 1 re-checks can be requested)
R2	RoR Service 2: Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. Reviewers will not re-mark the script. They will only act to correct any errors identified in the original marking. This service will include: the clerical re-checks detailed in Service 1; a review of marking as described above.
R2a	RoR Service 2a with post-review of marking copy of script	
R2P	RoR Priority Service 2: Review of marking	This is the same service as Service 2, but the script is reviewed as a priority as a university place may be dependent on the review, therefore a request for this service must be submitted to the earlier deadline. (This service is only available for GCE A Level and BTEC qualifications)
R2Pa	RoR Priority Service 2 with post-review of marking copy of script	
R3	RoR Service 3: Review of moderation (This service is not available to individual candidates)	This is a review of the original moderation to ensure that the assessment criteria have been fairly, reliably and consistently applied. It is not a re-moderation of candidates' work.
A1	ATS: Copy of script to support review of marking	This is a priority service that ensures copies of scripts are returned in sufficient time to allow decisions to be made whether a non-priority review of marking should be applied for.
A2	ATS: Copy of script to support teaching and learning	This is a non-priority service to request copies of scripts to support teaching and learning.
