Consent statements above and details of the RoR services below taken from JCQ's Post-Results Services (section 4, appendices A and B)

SRC	Post-Results Service	Details of the service
R1	**RoR Service 1**: Clerical re-check	This service will include the following checks: that all parts of the script have been marked; the totalling of marks; the recording of marks. (For **multiple choice tests**, only Service 1 re-checks can be requested)
R2	**RoR Service 2**: Review of marking	This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. Reviewers **will not** re-mark the script. They will only act to correct any errors identified in the original marking. This service will include: the clerical re-checks detailed in Service 1; a review of marking as described above.
R2a	**RoR Service 2a** with post-review of marking copy of script	
R2P	**RoR Priority Service 2**: Review of marking	This is the same service as Service 2, but the script is reviewed as a priority as a university place may be dependent on the review, therefore a request for this service must be submitted to the earlier deadline. (This service is only available for **GCE A-level and BTEC & GCSE Maths qualifications**)
R2Pa	**RoR Priority Service 2** with post-review of marking copy of script	
R3	**RoR Service 3**: Review of moderation (This service is not available to individual candidates)	This is a review of the original moderation to ensure that the assessment criteria has been fairly, reliably and consistently applied. It **is not** a re-moderation of candidates' work.
A1	**ATS**: Copy of script to support **review of marking**	This is a priority service that ensures copies of scripts are returned in sufficient time to allow decisions to be made whether a non-priority review of marking should be applied for.
A2	**ATS**: Copy of script to support **teaching and learning**	This is a non-priority service to request copies of scripts to support teaching and learning.
