This policy is reviewed and updated annually to ensure that the special consideration process at Richard Hale School is managed in accordance with current requirements and regulations.

References in this policy to GR, SC and ICE refer to the JCQ publications **General Regulations for Approved Centres, A guide to the special consideration process** and **Instructions for conducting examinations**.

## **Introduction**

### **What defines special consideration?**

Special consideration can only be awarded where a candidate has been fully prepared for assessments and covered the entire course but their ability to demonstrate their subject knowledge and understanding is materially affected by adverse circumstances beyond their control at the time of the assessment(s).

Centres **must not** submit applications for special consideration for trivial cases.

Special consideration can go some way to assist a candidate affected by a potentially wide range of difficulties, emotional or physical, which may influence performance in their examinations. It cannot remove the difficulty faced by the candidate. This means that there will be some situations where candidates should not be entered for a qualification or a unitised examination. This is because only minor adjustments can be made to the mark awarded. To make larger adjustments would jeopardize the standard of the examination. (JCQ's **A guide to the special consideration process**, 1)

### **Purpose of the policy**

The purpose of this policy is to identify roles and responsibilities within the special consideration process and confirms Richard Hale School will submit an application for special consideration where a candidate meets the published criteria. (GR 5.9)

### **Eligibility for special consideration**

- Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but performance in the examination, or in the production of coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control (SC 2.1)
- Special consideration must be applied for at the time of the assessment (SC 2)
- Candidates will NOT be eligible for special consideration if preparation for, or performance in the examination is affected by the reasons detailed in the JCQ publication **A guide to the special consideration process** (SC 2.3)

## **Roles and Responsibilities**

### **Head of Centre**

- Be familiar with, refers to and directs relevant centre staff to the annually updated JCQ publication **A guide to the special consideration process**
- Ensures where a candidate meets the published criteria, an application for special consideration will be submitted to the relevant awarding body by the exams officer.

### **Exams Officer**

- Refer to the criteria detailed in the JCQ publication **A guide to the special consideration process** to determine where a candidate is/is not eligible for special consideration
- Where a candidate meets the published criteria, submits an application for special consideration to the relevant awarding body.

### **The role of the senior leader**

- Signs appropriate evidence to support all eligible applications, if required

### **The role of other staff**

- Provides any appropriate evidence or information that may be required to determine a candidate's eligibility for special consideration.

### **The role of an affected candidate (or parent/carer)**

- Provide any medical or other evidence that may be required to confirm eligibility for special consideration.

### **Applying for special consideration**

At Richard Hale School, where a candidate is eligible, special consideration will be applied for at the time of the assessment in accordance with the regulations as detailed in the JCQ publication **A guide to the special consideration process**.

For candidates who are present for the assessment but disadvantaged, Richard Hale School must be satisfied that there has been a material detrimental effect on candidate examination performance or in the production of coursework or non-examination assessment.

Examples where a candidate/candidates may be eligible for special consideration include:

- A candidate arrives for the examination and is clearly unwell, extremely distressed and/or may have sustained an injury that requires emergency access arrangements to be put in place:
  - the candidate is kept under centre supervision (from 30 minutes after the published starting time for that examination until they begin it) while appropriate arrangements are put in place for the candidate to take the examination (ICE 7.4)
  - special consideration is applied if this indisposition has had, or is reasonably likely to have had, a material effect on the candidate's ability to demonstrate his or her normal level of attainment in the examination (SC 1)
- Application for an allowance on the last paper taken in a day when a candidate has been entered for three or more examinations timetabled for the same day and the total duration of those papers is more than 5 hours 30 minutes (GCSE examinations) or more than 6 hours (GCE examinations) (SC 3.3) (Where extra time has been used following formal approval, this will be included in the calculation. Supervised rest breaks **will not** be included in the total duration of the papers when applying for special consideration.)
- Serious disturbance during the examination (SC 2.1)
- Candidates will not be eligible for special consideration if preparation for, or performance in, the examination is affected by a minor disturbance in the examination room caused by another candidate, such as momentary bad behaviour, noise from scripts being printed, a mobile phone ringing or a momentary fire alarm, the candidate would not be eligible for special consideration (SC 2.3).

The centre **must not** submit applications for special consideration for trivial cases.

Examples of trivial cases which **would not** warrant special consideration include, but are not limited to:

- A bird tweeting outside the examination room
- A lorry reversing
- A toilet being flushed
- Doors in a corridor adjacent to the examination room opening and closing
- Very short, momentary noise from, for example, aeroplanes, helicopters, lawn mowers ([SC 1](#))

### **Candidates who are absent from a timetabled component/unit for acceptable reasons**

If a candidate is absent for acceptable reasons, and Richard Hale School is prepared to support an application for special consideration, special consideration will be applied for if the examination missed is in the terminal series and the minimum requirements for enhanced grading in cases of acceptable absence can be met (SC 4).

For unitised examinations taken in an examination series prior to certification, candidates must be re-entered for any missed units at the next assessment opportunity. Unless there are difficulties arising, e.g. group performances which cannot be repeated, special consideration will not be awarded. (SC 4)

### **Other issues**

Where other issues or problems affect a candidate or a group of candidates, special consideration will be explored in **A guide to the special consideration process (SC5)** and applied for where eligible. This may include, for example:

- Other certification
- Coursework/non-examination assessment extensions
- Shortfall in work (coursework/non-examination assessment)
- Lost or damaged work (non-examination assessment components)
- Candidates taking an incorrect or defective question paper
- Candidates undertaking the wrong controlled assessment or non-examination assessment assignment

Where a candidate may be eligible for special consideration (a post assessment adjustment) in a vocational qualification, Richard Hale School will follow **A guide to special consideration (SC7)** and awarding body guidance to determine if, when and how an adjustment can be applied for.

### **Processing applications for special consideration**

#### **Head of Centre**

- Ensure all eligible applications are supported by signed evidence produced by a member of the senior leadership team

#### **Exams office/officer**

- Ensures applications are processed as required by the awarding bodies

- Ensures a candidate/candidates (or a parent/carer) understands that all cases must be dealt with by the centre
- Ensures that special consideration is applied for at the time of the assessment
- Ensures special consideration is not applied for in a cumulative fashion and where a candidate may be affected by different indispositions, ensures special consideration is only applied for the most serious indisposition
- Keeps evidence to support all applications on file until after the publication of results and provide the appropriate evidence signed by a member of the senior leadership team to support an application where this may be requested by an awarding body
- Meets the awarding body deadline(s) for submitting applications.

#### **Teaching staff and/or ALS lead/SENCo**

- Provide any appropriate evidence or information that may be required to support a candidate's application for special consideration

#### **Candidates (or parents/carers)**

- Will be asked to provide any medical or other evidence that may be required to support an application for special consideration
- Will be informed that all cases must be dealt with by the centre

#### **Submitting applications for special consideration**

At Richard Hale School, where a candidate or group of candidates is/are eligible for special consideration, applications will be submitted to the relevant awarding body following the published processes in **A guide to the special consideration process**.

In cases of online applications for special consideration, the candidate/candidates will be informed when an application for special consideration is submitted to the awarding body (to ensure compliance with the UK GDPR/Data Protection Act 2018).

Evidence to support all applications will be retained on file until after the publication of results.

#### **Timetabled written examinations**

- Applications for individual candidates will be submitted online by logging into the relevant awarding body secure extranet site and following the links to special consideration (where the awarding body's secure site accepts applications online)
- A single application to cover all examinations affected where a candidate is present but disadvantaged and a separate application for each day on which examinations are missed where a candidate is absent from an examination for an acceptable reason will be submitted
- The paper form 10 **Application for special consideration** will only be completed and submitted to the awarding body where the online system does not accept applications for a particular qualification
- For cases involving groups of candidates, applications will be made online where the awarding body's secure system accepts group applications or form 10 will be completed

- The paper form 14 **Self certification form** (Self certification for candidates who have missed an examination) will only be completed by a candidate where circumstances warrant this and will not be used where the centre knows the candidate was ill.

#### **Internally assessed work**

- Where appropriate, applications will be made online where the awarding body's secure system accepts them or form 10 will be completed and submitted to the awarding body
- Where a short extension to a work submission deadline for an individual candidate is being requested, the awarding body will be contacted directly
- Where an application relates to a shortfall in work for an individual candidate, this will be submitted online or by completing form 10, dependent on the awarding body.

#### **Post-assessment adjustments – special consideration (vocational qualifications)**

- Where the learner's circumstances are eligible, form 10 or form VQ/SC **Application for special consideration Vocational qualifications** will be completed and submitted to the awarding body

#### **Applications post-publication of results**

If, after the publication of results for a particular examination series, a claim is made that special consideration was not applied for at the time of an assessment where a candidate was eligible, the claimant will be informed that late applications will only be accepted by an awarding body in the most exceptional circumstances and where a senior leader is able to produce compelling evidence to support a late application.

If a claim is made after the completion of a review of results, the claimant will be informed that an application for special consideration cannot be submitted.
