

Richard Hale School

House Events 2025-26

MAKE YOUR MARK

Richard Hale School has a long and proud tradition of having a strong House system. Students of all ages contribute to a huge range of events, competing for their House in the annual Cock House Cup.

The main aim of the wide range of competitions is to bring the 6 different Houses together in friendly competition, whilst developing new skills along the way. We expect all students to participate as this is such an integral part of our school identity.

The House system also offers students the opportunity to work with older and younger students. Students develop their team work skills, build resilience and respect, and grow as young leaders.

Each form elects a Form Rep, House Rep, and Sports Rep who hold the position for the academic year. One of their key roles is to encourage and organise their peers to play a full part in the House system. They will help students plan which events they will take part in, ensuring everyone has the opportunity to 'make their mark'.

Our Heads of House and respective House Captains and Vice-Captains lead each House throughout the year, supporting and inspiring students to aim high and achieve their best. Each House has its own unique character and motto, just like one big family!

Each of our 6 Houses are named after important people connected to the school, linking our school's past with its present.
