

## SENIOR STUDENT PEN PROFILE

|                                                                                                   |                                                                                                                                                                                                                                                                                                                          |
|---------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Name</b>                                                                                       | Martha Stopps                                                                                                                                                                                                                                                                                                            |
| <b>What position do you hold?</b>                                                                 | Extracurricular Captain                                                                                                                                                                                                                                                                                                  |
| <b>What are you studying?</b>                                                                     | Biology, Chemistry, Maths                                                                                                                                                                                                                                                                                                |
| <b>Why are you studying at Richard Hale?</b>                                                      | I chose to move schools and study at Richard Hale because the stem subjects here are very academically strong, which helps me to pursue a stem related career in the future.                                                                                                                                             |
| <b>What does your Senior Student position mean to you?</b>                                        | It will allow me to arrange and organise extracurricular opportunities for both sixth form students and younger years, and help to form stronger communities within school.                                                                                                                                              |
| <b>Why did you apply for your position and what are you hoping to achieve during your tenure?</b> | Although I didn't specifically apply for this role, I will try and organise extracurricular activities for this school.                                                                                                                                                                                                  |
| <b>How do you fulfil the school's values?</b>                                                     | Respect others - support younger years through tutoring and holding assemblies.<br>Aim High - I aspire to study veterinary medicine at university and continue my education<br>Show Commitment - Since joining richard hale I have shown my support through the school consistent attendance at open days and assemblies |
| <b>Do you have any further comments about Richard Hale Sixth Form</b>                             | Since joining Richard Hale as an external student, I have found the community welcoming and everyone is easy to talk to. The school ensures everyone feels comfortable and strives to get everyone involved in activities.                                                                                               |
